

Citystate-Stamford Tuition Sponsorship Programme

This programme is an initiative by Stamford Scholars and Citystate Group. We aim to provide financial assistance to students of low-income families who require academic help. The fees for tuition classes conducted within Stamford Scholars will be partially subsidised for families who meet the eligibility criteria. These subsidies are generously sponsored by Citystate Group.

Eligibility

For the development of this programme, we follow closely to the guidelines of the Student Care Financial Assistance (SCFA) scheme set by the Ministry of Social and Family Development.
